

Happy Snow Day! From the chart below, please pick one activity in each column to have some fun learning at home. Please use the provided notebook in your blizzard bag to record all written work. Please label the page with the activity title and date. Spend 20-30 minutes on each online activity that you choose.

Be sure to return the notebook along with this Blizzard Bag Menu marked with the activities that your child chose to complete. Work needs to be returned on the next school day. Have fun!

Reading	Language Arts	Math	Science/Social Studies
