

Information about how to use the Unified Arts “Blizzard Bag” Packet.

- The packet stays home. We have created a menu for the packet that gives students ample choices for all three Blizzard Days.
- Students **select one activity** from the Unified Arts Menu. It does not need to be the “Special” they would see that day. They can pick any activity they like. We have asked them to mark their activity choice with an X on the menu so they can keep track of what they did. This will help them remember what they did when they go back to the packet for Blizzard Day 2 & 3.
- Students **only return a reflection sheet** that describes what activity they did and what they learned. In the back of the packet there are three separate reflection forms labeled:
 - Reflection Sheet for Blizzard Bag Day 1
 - Reflection Sheet for Blizzard Bag Day 2
 - Reflection Sheet for Blizzard Bag Day 3

NEED HELP: Please email your teacher or call the school (436-4731) and leave a message for your Unified Arts teacher. Your teacher will get back to you shortly!
