RYE SCHOOL BOARD  
VISITOR PARTICIPATION AT MEETINGS

Welcome to this evening's board meeting.

If you wish to be heard by the board, please note the *Public Comment Sessions* on the agenda. The comment session in the middle of the meeting is to accommodate visitors who wish to address the school board on general issues or who do not wish to stay for the entire meeting. The comment session at the end of the meeting provides an opportunity for those staying for the meeting to comment on the work of the board.

To ensure that the time devoted to comments does not interfere with the board's ability to complete its agenda; the comment periods are limited to ten minutes, unless extended by vote of the school board. Individuals are asked to limit their comments so that all who wish to speak can be heard. Written input to the board is encouraged. Materials received seven days prior to the board meeting will be disseminated to the board in its pre-meeting packet.

Visitors should not expect a board response to their comments since the board may not have discussed or taken a position on the matter. The superintendent, without speaking for the board, may offer clarification, as appropriate. If the board already has a position or policy on the matter, the chairperson may state the board's position.

The Rye School Board meets in regular session on the third Wednesday of the month with special meetings called as necessary. The board appreciates your attendance this evening and invites your continued interest in its work on behalf of the children and residents of the Town of Rye.
